Dear Pastor and Church,

Greetings to you all from Quezon City, Philippines!

Praises be to God for the many wonderful works that He had done in our midst for the period July to October 2014, as follows:

John 10:27 "MY SHEEP HEAR MY VOICE AND I KNOW THEM AND THEY FOLLOW ME." We thanked the Lord as we had seen this truth realized in the life of Maricel Pajares, a visitor who came to church twice. After listening to the preaching of God's Word, Maricel responded to the altar call. Right away, the Gospel was presented to her by our counselor, and she received Jesus as Lord and Savior. As the church door opened, God brought Maricel in almost all services, prayer meetings, Saturday Good News Class and Youth Fellowships. Eventually, Maricel testified of her faith by obeying in the waters of baptism.

Andy Barcelona, a friend of Preacher Fred Lagura, invited the former to come to church. After personal follow ups to him, Andy testified likewise about his personal belief in the Gospel and received Jesus as Lord and Savior. It was in September that Andy decided to finally follow the Lord's command in water baptism. To God be the Glory!

God had been so good in blessing the attendance of our Youth fellowships held in Libis. It became a venue for training young leaders of youth believers, in sharing the Gospel to the lost, and discipling persecuted believers, who had

been hindered to attend our Sunday Worship services.

We praised God, who brought prayer warriors to our corporate prayer meetings in the church. Although the ups and downs attendance ranged from 4-18, still we thanked God in bringing them to our venue, 3 times during the midweek and observing their 'Sunday Morning Watch' to their respective homes. Through their testimonies, some of them had been spiritually affected by growing in grace. Some of them had shown interest in attending more midweek church services and meetings. They became consistent in reading the Word of God and private communion with the Lord. Likewise, they learned afresh of God's mercies and loving-kindness through answered prayers like His forgiveness, healing, supplying needs and seeing their children & spouse responding & deciding to accept Jesus as their Savior and Lord.

By the grace of God, the men's and ladies' teams discipleship Bible studies continued every Thursdays and Fridays. Through the Bible studies, the believers were equipped, built up, strengthened and were filled with the knowledge of God's will. Hence, fathers and mothers became aware of their personal duties to God, to others and learning how to bring up their children in the fear of God.

We praised the Lord for the TBBC ladies' team had a wonderful time to attend Ladies' Team Anniversary Fellowship Bible Study at Higher Ground Bible Baptist Church in Bulacan. All Pastor's wives shared their life testimonies on their answered prayers. The topic discussed then was on "Prayer," given by Sis. Yabes. Thanked God, it was truly a blessing to all attendees, motivating all believers to be Christlike.

This October, the Lord answered our prayers to provide Bible students to enroll at Bob Jones Memorial Bible College. Jhoan Tulipas, a believer saved just last year. It would surely be a good venue for her to grow more in the knowledge of our Savior Jesus Christ, and eventually, be actively involved in the work of the Lord, giving glory to Him!

We appreciate your faithful support to us, most especially in remembering to uphold us in your prayers. Bros. & Sis. in the Lord, you are a great blessing and encouragement to us!

Thanks a lot and God bless you all abundantly!

Sincerely in His service,

Pstr. N. E. Pinos and family
