

Merry Christmas to our Family and Friends,

2015 was a blessed year for our family. We had numerous opportunities to travel around the country and were even able to meet up with Tyler, Ashli, and Anah in New Mexico for an Elk hunt in mid October. We certainly enjoy these precious few moments we get to spend with them. Corey had a big year as he graduated from First Baptist Christian School and started his biology/pre-med program at LCCC. Abbey is currently in the 6th grade and having a great time playing both volleyball (Fall) and basketball (Winter).

The pictures in this letter capture many of the fun memories that were created this year. God sure has been good to us and we can't wait to see what He has in store for 2016!
