Dear Pastor and Church,

Philippians 2:13 “FOR IT IS GOD WHICH WORKETH IN YOU BOTH TO WILL AND TO DO OF HIS GOOD PLEASURE.”

Praises be to God that despite the hot weather, the Lord was gracious to all of us. Our brethren, finds it hard to cope with the very hot weather, reaching to 42 heat index. He enabled our few men to install heat insulators covering the whole area of the venue as our place of worship; just in time for our upcoming summer events for kids and teens.

We praised God for enabling our few teachers to get ready for our next month’s Vacation Bible School to get ready for the materials – such as the teaching aids, visuals, venue area, most particularly to prepare for it thru prayer.

By the way, attendance of kids in our Good News classes in Pinyahan has greatly improved; for the Lord gave us wisdom and understanding, manpower support, availability of my family as patrols, each one contributing well to the teaching ministry. TO GOD BE THE GLORY!

Thanks for all your support and prayers to us, for He is pleased in helping-one-another-together-team-ministry for His glory.

Sincerely in His service,

Napoleon Pinos and family

March – April 2017

Dear Pastor and Church,

Greetings!

Daily Vacation Bible School has come!

We are grateful to God for the heat insulators installed. Usually, during VBS, the teachers could hardly sustain the attention of the class because they got distracted by the heat emitted from the ceilings. But now, the teachers have been enjoyed their teaching ministry.

We praise God for His provision of manpower such as cooks, teachers and their assistants, patrollers, sound system operator and other staff, whom the Lord provided, for His glory!

Our theme for this year was “Sa Tulong ng Dios, Kanyang Utos ay Susundin ko.” (“Thru the Help of God, I will Obey His Word”). We praised God, for His provision of teaching lessons. It became a blessing, to our teachers themselves.

We praised God for encouraging once again a teenager to return to the Lord thru the VBS. This teenager used to be an effective soul-winner before. It was a joy to hear that her mother was relieved that his son returned to attend the church services and prayer meetings. She noticed significant changes in the character of his son resulting after his revival. Praises be to God!

Parents attended the classes themselves, and were able to hear the Word of God. Another parent appreciated the content of the whole program, thus, permitting her child to complete the whole Daily Vacation Bible School program.

We also praised God that there were a less than 100 who professed to have accepted Christ, as their Lord and Savior.

Thank you in supporting us through your prayers, to please God in the ministry.

Sincerely in His service,

Napoleon Pinos and family
