Dear Pastor and Church,

“WE GIVE THANKS TO THE GOD AND THE FATHER OF OUR LORD JESUS CHRIST...” (Colossians 1:3)

Greetings!

We thanked God for giving us the opportunity to have fellowship with our fellow workers in Pundaquit, Zambales. The Lord used various unexpected instruments, making this endeavor possible. Everyone were refreshed seeing the beauty and wonders of God’s creation, and were blessed by that anniversary celebration fellowship that we attended in our second trip to Zambales.

Praise God for using a relative to open its door to accommodate our Good News Club in Brgy. Malaya. Aside from this, God had touched the heart of another Christian to finance the feeding of these children, from high school down to 2 years old. It encouraged those who were attending the GNC, to consistently attend the GNC.

Because of God, three (3) Bible students were enrolled at BJMBC for this semester. Praise God for the lives of these enrollees. We were expecting that their studies and training in the Bible School would motivate them to be of service in the ministry.

Thank you for supporting us through your prayers.

Sincerely in His service,

Napoleon Pinos and family

Dear Pastor and Church,

“GRACE TO YOU AND PEACE FROM GOD OUR FATHER AND THE LORD JESUS CHRIST. (2 Thessalonians 1:2)

Greetings!

This month we were able to extend help to other local ministries by equipping fellow workers with music, providing lessons that will facilitate learning.

We praise God for enabling us to support local outreaches, encouraging fellow workers thru financing for the need of the work in local areas. Please pray for a mission outreach that is started in Valenzuela.

We also praise God for enabling us twice to have a film showing done in our Good News Class in Malaya, Quezon City. The said film was Tagalog version, making it easy to understand. After the film was shown, the Gospel was presented by our GNC teacher. Praise God for professions of faith made that day.

We also thank God for the testimonies that were shared by our Good News Class attendees. One boy told us that as he read the Bible, he could sense as if God was speaking to him personally. Praise God!

During one of our evangelism, I presented God's simple plan of salvation to a certain father, not knowing that his son was also listening. After invitation, that adult decided to accept Christ as his Lord and Saviour. That time, his son also accepted Christ, without me knowing his decision. After this, only this boy showed interest to attend our GNCs and later on became faithful in attending other church services. We praised God for hearing the news from his auntie that said boy, stopped frequenting the computer shop, began to be responsible in fulfilling house chores and always heard singing Christian songs. Praise God for this encouragement!

Thank you for supporting us.

Sincerely in His service,

Napoleon Pinos and family
