

May to June 2014

Dear Pastor and church,

Greetings to you all in the Lord! "GREAT IS THE LORD, AND GREATLY TO BE PRAISED; AND HIS GREATNESS IS UNSEARCHABLE." (Psalms 145:3)

We praised God for the wonderful things He had been doing in our weekly Good News Classes (GNCs) and Ladies Team bible studies, where Christ brought prospects to hear the Word of God. In Malaya, 2 boys who were on-and-off-attenders, were shown kindness by one of our growing ladies team sisters. She supplied their food, lent them in her little store, during a long period of financial distress. Soon, Janet Marcelo, the long time wayward mother, was softened and changed heart, when God opened her eyes to see the goodness of the Lord. She had attended our ladies team bible study, and Sunday church services. Finally, James, the husband, professed his faith in Jesus and in May, followed the Lord in water baptism. The couple, surprisingly, surrendered to God their big idol (image). It was broken down and destroyed through the power of God.

We thanked God for two professions of faith among the teenagers in our GNC in Libis. What a joy to see them growing in life and interest as they consistently hunger in God's Word. They constantly attended not only our GNC but also our Sunday morning classes, worship services and young peoples' fellowship. They became Bible readers too. One of them had started sharing to her classmates whatsoever things the Lord had laid in her life.

We also praised God that the products of our Sunday School, GNCs and Daily Vacation Bible School, had been trained to be future co-workers in the work of God. The Lord provided us two trainees taking up viola and violin lessons, led by my daughter. We look forward seeing them play in our music ministry for the glory of God and for the edification of the brethren.

Despite ups and downs (16-6) attendance of prayer warriors, we still thanked God because there were still faithful few, who were committed in our corporate prayer ministry every Tuesday, Wednesday, Friday (in church) and Sunday (at home). The faithful ones were growing in their faith, commitment to God, and becoming productive in the ministry.

Thank you very much for being faithful in all your support to us. God bless you all!

Sincerely yours,

Ptr. Napoleon Pinos & family
