Dear Pastor and Brethren,

July 2018

It amazes me how the combination of the work of the Holy Ghost, the preaching of the Gospel, the prayer of the saints and the use of money results in the saved souls. We continually thank God for making you and us "laborers together" with Him. We don't deserve such a great privilege. We thank Him for every single result coming out our collaboration with Him.

Joash has completed his second College year in Canada. By the means of WhatsApp we talk with him on regular basis. Lemuel has completed his Junior High School here with the highest grade. He made up his mind that he is going to do medical studies in the States. For him to do so, it is required that he holds a USA High School degree. To this end Justine will be in the States with him from August 8<sup>th</sup> for about a month. Thankfully, Justine's brother's family in Minneapolis has agreed to care for and house Lemuel for the duration of

his high school studies in the U.S. Please pray for the many details that need to get worked out during this upcoming trip.

The kids at Redeemer House are doing well. We are expecting their final school exams with the hope that they will all pass to their next class. With our school system here failing is not uncommon.

On Sunday July 8, 2018 we had the first church services in the new building at **Conqueror Baptist Church, Avinato**. This is the Lord's answer to our many years' prayer request, even though the work not yet complete.

Adults Service (new building) and Kids Service (former building)

It is our goal and prayer that the first four (04) of our mission's churches become autonomous and self-supporting by 2020.

The church building work at **Word of Life Baptist Church, Lassa** is progressing slowly as the Lord provides. The next step is to cover the building and make the doors. Our goal is to complete the construction work by October and then launch an intensive evangelism campaign followed by an inaugural Sunday services. For the meantime the nine (09) adults and ten (10) children continue to meet on Sunday morning and Wednesday evening in a house. Please, be in prayer with us to this end.

Remember also **The Way of Heaven BC, Kétau**, our second embryonic church. Both churches are located in the Northern part of the country.

We are planning on resuming our Bible Institute in September. Hopefully a good number of students will be registered.

We are expecting Dr. Steve Williams, the HBM Director and his wife in November 2018. For this coming, their second one, we are planning a busy schedule for them. Here is what we would like them to do if possible:

1. Teach pastors, missionaries and deacons on BASICS IN BIBLICAL COUNSELING;
2. Speak in our mission churches on "MENTAL AND PSYCHOLOGICAL ILLNESS";
3. Conduct a day married conference for couples from many churches;
4. Speak to pastors, missionaries and deacons' wives from many churches on HELPING THEIR HUSBANDS BE EFFECTIVE IN THE MINISTRY;
5. Visit our missions field;
6. Answers our co-workers questions during QUESTIONS AND ANSWERS TIME;
7. Help us organize the Savior Baptist Church dedication and autonomy ceremony.

We are praying for the Lord's provision for their trip.

Thank you so much for your continual faithful support to this work here in Togo.
