

Dear Pastor and Brethren,

February 2020

Greetings in Christ from Togo to each one of you! We held our end-year Missionary Team meeting on Saturday 25th January 2020. On our agenda we had: (1) A word from David; (2) annual report; (3) agape dinner.

In his word, David underlined that it is such a great privilege for us to be *“labourers together with God”*. He pointed out that we are laboring together but *“every man shall receive his own reward according to his own labour”*.

After listening the different reports, we turned to God in prayer, expressing our gratitude and praises to Him for all that was done in 2019. Thank God with us and give Him glory for: (1) keeping all of us alive, (2) meeting our daily needs, (3) the saved-souls (4) progress and achievements made and (5) many blessings bestowed on our lives in 2019. The following is **2019 Annual statistics**.

1. Conqueror Baptist Church

We are still praying for the right man who will be in charge of this church. From February 12-16, I will be conducting a Bible conference on spiritual warfare. In the next coming six months, I will be leading four men from our team to conduct spiritual counseling every Thursday, from 4-7 p.m. We want to be able to do an individual basis work.

2. Good Shepherd Baptist Church

The construction work is progressing slowly. The goal here is to be able to put the concrete by December. It is all about money. Actually, this looks like impossible; nevertheless, we pray and expect the Lord to make it possible.

3. Good News Baptist Church

We are planning the Church autonomy by September. To this end, A Bible Conference on “Church Autonomy” is scheduled shortly before. Please, be in prayer for a new Church the brethren here are starting in an area called Davié-Zogbé (5 km from the church location). I am expected to preach on this new church inaugural Sunday, March 29.

4. Faith Baptist Temple is struggling with its construction work. Let us be in prayer with them!

5. Redeemer Baptist Church

The main focus this year will be on soul winning. We are planning on having a debate on the best strategies to win souls in the area.

Redeemer House Kids on New Years Day

The Redeemer House girls & boys are doing well and growing fast. With their current mattresses being out of use, we want to be able to change them very soon.

6. Hope Baptist Church

Bro. Elisée, is currently taking care of the work here. He is the man we would like to send as the missionary on this field.

7. Our prayer for Word of Life Baptist Church is that the unsaved be saved and the saved be established in the faith. Please, pray for Bro. Marc Kabide who is in charge. He is married with two children.

8. Bible School

Teaching on Survey of the Book of Acts, from January to February has been so challenging and yet so blessing.

9. Microfinance

Nine (9) persons from our mission churches benefitted from our micro-project-financing in 2019. We still have many people on the waiting list.

10. Book Writing

The book on Evangelism entitled “Disciples Makers” is ready for printing. I believe this book will be of a great help for churches as well as individuals in soul winning. To launch the first edition of about 500 copies, I will need about \$1,500.

We thank you very much for being part of this work. For the part you are taking in this endeavor, we know for sure, each one of you will receive *“his own reward according to his own labour.* We are so thrilled to see how God is giving the increase. Keep on praying with us for our goal to lead our Missions Churches to autonomy or independence, bearing in mind the criteria they are to meet: (1) have church building, (2) be self-governing, (3) be self-supporting, (4) be self-reproductive. As a reminder, Savior BC is autonomous.
