

Dear Pastor and Brethren

NOVEMBER 2021

Receive our lovely greetings from Togo!

It is our prayer that this letter finds you doing well in the Lord. We can't help thanking the Lord for the great privilege of serving Him. We thank each one of you for the part you are taking in this work. We are so glad that since October 10, 2021 all the churches are reopened in our country. Our observation is that Covid-19 situation had such a negative impact on churches. It looks like our church members have grown weak spiritually. Actually, none of our churches have reached the attendance we had before Covid-19 came along. It is our prayer that the government will not close churches again.

1. Savior Baptist Church, Vakpossito, Lomé

In order to equip all the church members on soul winning, we are currently teaching on Evangelism during the Sunday school time. The teams we made up are assigned to go out for soul winning according to their own schedule and then report back. We pray and expect that this will result into many souls won to the Lord.

2. Good News Baptist Church, Adetikope

The brethren here have started a new church in another area called Davie-Dzogbe. Please be in prayer for the new church establishment. Also pray for the deacons' board and the prayer group renewal.

3. Conqueror Baptist Church, Avinato, Lomé

We have been praying for a man to lead the CBC. We thank the Lord for bringing a young man by the name of Gbafa Kossi-Selom our way. Since January he has been in charge of the work here. He holds a BA from Bible School and got married in June 2020. We are prayerfully seeking the Lord's will for his definite commitment. Please be in prayer with us.

Grace and Kossi Gbafa

4. Good Shepherd Baptist Church, Yokoé, Lomé

Construction work progress

The reopening of the church here is particularly welcomed, because for 19 months the services were held in houses and the preaching sent via WhatsApp.

Please pray for the training on soul winning Bro. Raphael has scheduled in December for the church members. We are also praying for a good attendance and the church building work.

5. Faith Baptist Temple, Notsé

Church building work progress

Putting the roof on this building is the main challenge here. About \$1,500 is needed to achieve this.

6. Redeemer Baptist Church, Davié

Church building work progress

Since the discipline and dismissal of our co-worker who was in charge of the work here, we are doing our best to keep the church activities going on. The attendance is still low. We are prayerfully asking the Lord to provide for the right man who will be in charge of the work. It is also our prayer that the church's testimony be restored.

7. Hope Baptist Church, Dapaong

Bro. Elisée, our coworker here, is praying for someone who will be able to help him in the ministry. He has got a brand new motorbike for which he has \$1000 to pay. We are praying for the church growth.

HBC church building

8. Word of Life Baptist Church, Kara

WLBC church building

We are praying here for numerical and spiritual growth. It looks like people in this area do not respond well to the gospel.

9. Way of Life Baptist Church, Kétau

We are constructing a shelter here for the church services. As soon as this is done we will be launching a soul winning campaign and then have our inaugural services.

10. Rock Baptist Church, Davié-Kpétamé

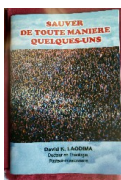

School building work progress

This is the picture of the construction work progress. This building is designed to be used for three school classes. We are planning to start our Christian school here by September 2022. The school classes will also be hosting Sunday school classes and church services. We are praying for financial provision in order to complete the work by summer 2022. We expect to baptize the very first group of about fifteen new converts very soon. We need your prayers for this new field.

11. Bible School

We have reopened our bible school on November 11 and it happened that I am the one teaching the class on the "Applied Demonology". In our African context, this is one of the key classes. As a matter of fact, the demonic activities are so glaring that everyone in the Lord's harvest needs to be better be equipped to deal with. We got a good crowd (41 students).

The lord has led upon my heart to put together a booklet on soul winning entitled "Save Some by All Means". This is the material we will be using to train our church members on soul wining and discipleship.

We highly appreciate your participation in this great work of the Lord. May He bless you abundantly!
