Dear Pastor and Brethren,

Our warm and loving greetings to you all! We thank the Lord for the privilege for serving him with you. We highly value your prayers and supports.

I am slowly getting over from my burnout, malaria, and anemia. I am planning a three-week-break from July 8. Please, pray for my total recovery.

Justine is planning to visit Joash in Canada and then come over to the States by August.

Please, be in prayer with us for Bro Raphael, one of our faithful co-workers, now Harvest Baptist Missions missionary to Togo. God willing, he will be on his three-month-deputation from September 2024. If you have any opening, please consider letting him come over and give you our ministry update and share his burden with you. So far, he has been able to book three meetings. We are praying for more meetings and the cost of the flight ticket. His ministry activities include church planting, Christian School, camp ministry and Gospel Ministers training.

Please, pray for **The Guegue Family**

"And Jesus answered and said, Verily I say unto you, There is no man that hath left house, or brethren, or sisters, or fathers, or mothers, or kindred, or lands, for my sake, and the gospel's, but he shall receive an hundredfold more in this time, and in the life to come, and shall inherit life eternal."
Mark 10: 29, 30

So far the Lord provided for the Rock Primary School teachers payment. It is our prayer that all the pupils pass their exams. Their vacation starts from mid-July. We are in the process of constructing two offices and three more classrooms for Junior High School. We are planning on starting the first two classes (6th & 5th) by September. Apart from covering the roof, there is a lot of work yet to be done.

Thank you very much for your continue support to this work in Togo.
