OCTOBER REPORT

Dear To All Praying Partners,

Ps 46:1 "God is our refuge and strength, a very present help in trouble."

Greetings to all of you. May His grace and mercy abound in you always. For us here, we're all okay. We thank God for surviving the recent two strong storms that struck our country. But were grieved to hear of our fellow Filipinos who were greatly affected by the storms in the recent calamity, especially in southern Luzon where the storms concentrated. Many lost their lives and a great number lost their houses and livelihoods. I am mostly concerned with those churches that were destroyed and the believers that were affected. Please pray for them, and if you can be of help in a greater way please do so as I am also encouraging my people to do so also.

We concluded our soul-winning with rejoicing as our guest speaker Some of our people surrendered and pray that they will truly be involved also. We praised God also their Savior.

emphasis month (October) last Sunday challenged us to win more souls to Christ. their lives to win souls for Christ. I hope involved in soulwinning and that more be for several visitors who received Christ as

After our afternoon service, we conducted a baptismal service at the river where we usually baptized our converts. Five believers followed the Lord in water baptism. One of those is Sis. Dinah who was saved during our "Friends Sunday" two years ago. At first, she was very hesitant and full of excuses to be baptized due to her vices that she couldn't give up. But at last, she surrendered her life to God and followed the Lord in water baptism.

Please pray for our coming Christmas gift-giving for kids in December. Our Young people will be raising funds beginning this November through Christmas caroling where they go to various houses to sing Christmas songs. We desire to give gifts to children from our Sunday School and those indigent children in our community. Please pray for the success of this endeavor. Please pray also for my present eye problem. My vision is getting blurred little by little. Thank you very much for all your prayers and support for our ministry here. Lord bless you all.

In Christ,

Bro. Manny, Sis. Violy, Hannah, Joyce, Karen and Precious.
