Dear Pastor and Brethren,

December 11, 2024

We are so thankful to the Lord who called us into His ministry. My wife, my kids and I are grateful to you all for your warm welcome to me when I was in your church. For your prayers, love, fellowship, and love-offerings, we say a big THANK YOU! I made a safe trip back to Togo on November 21st, 2024. It was a great joy to be back home with my family that I had

missed for almost three months. I am grateful the Lord took care of them while I was away from them.

In the States, the Lord made it possible for me to have twelve (12) meetings, including three Missions Conferences. I praise God that three churches promised to take me on support. We pray and expect that more churches will take us on for support as well.

Back to Togo, I recently visited three areas for the church planting purpose. We are praying for the Lord's direction to single out one area where we will start the church planting work in the course of 2025. Please, be in prayer with us.

“And Jesus answered and said, Verily I say unto you, There is no man that hath left house, or brethren, or sisters, or father, or mother, or wife, or children, or lands, for my sake, and the gospel's, But he shall receive an hundredfold now in this time, houses, and brethren, and sisters, and mothers, and children, and lands, with persecutions; and in the world to come eternal life.”
Mark 10: 29, 30
