Dear Beloved in Christ,

We are praying that this Prayer Letter gets to you doing well. These last three months my mind and time have been mainly set on books writing and Savior Baptist Church dedication. The dedication took place on Saturday 13th. Great was our joy to dedicate this Temple after 17 years of work. We are so thankful to the LORD for honoring our faith to construct a big church building for His worship. Thank you so much for every single prayer and support that contributed to making this happens.

Now my focus is on the three books (in french) I am planning to publish and dedicate on January 10, 2026. You may note the titles: (1) Holy Spirit: Mistakes, Heresies and Truths; (2) Facing the Powers of Darkness; (3) Disciples Maker. My goal is to have over 100 preachers attending the books presentation on the day of dedication. Whenever I think about the finances it takes to publish three books, I am afraid. Well the date is set and the invitations are being sent out; may the Lord have His will way in this business. Please be in prayer with us to this end.

In October-November I conducted Bible Conferences at Conqueror BC, Redeemer BC and Rock BC. Based on Malachi 3: 7-12 it was entitled « Prove Me Now Herewith ». The Lord has blessed in a way that all of the three churches were able to do something they could not do so far: reaching their church budget.

We praise the Lord for the finished work progress on the school building: cementation was made, the doors were fixed and electricity cables were fixed. It remains the painting, chairs parching. We want to express our gratitude to Union City Baptist Temple for their gift to this end.

We wrote in our last PL that our next big challenge is to make the concrete for Conqueror BC by December; we are postponing it to the end January. We still need to raise about 7 000 dollars. We keep praying and trusting the Lord to make this happens.

As you can see, our Lord is using our partnership for His kingdom sake. Thank you for your many years' commitment and faithfulness in supporting us.

We want to close this PL by wishing you merry Christmas and a blessed new year.
