

Dear Pastor and Brethren,

June 2006

I am so thrilled to share with you a couple of the things the Lord is doing in the ministry we are in charge of as your missionaries to Togo.

Praise God and give Him thanks for the concrete we made for Redeemer Baptist Church on 05/30/26. An unexpected heavy rain stopped the work for two hours. We had to repair the damage caused by the rain before continuing. We completed it around 6 PM. Some folks passing by looked at the work done with amazement. What a joy! And what an excitement! This is our second concrete project this year and in both cases what was impossible at first, was finally done. When asked how we do that? My answer is the question is not how we do that but how does God do that?

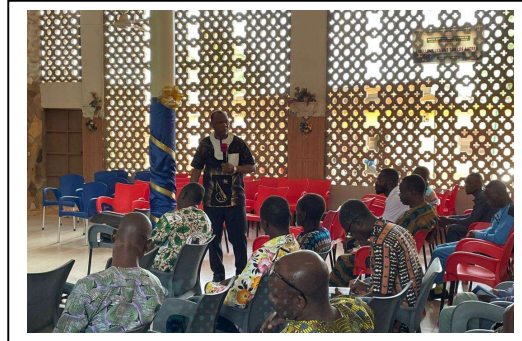

Allow me to remind you that the church planting has to do with: (1) Bringing people to Christ; (2) Baptizing them; (3) Building them up in Christ; (4) Buying lands; (5) Building temples); (6) Battling the powers of darkness.

Church planting also involves: (1) the Power of the Gospel; (2) the Power of the Holy Spirit; (3) the Power of the prayer; (4) the Power of money.

Please, bearing all these in mind keep praying for us for the work progress.

The Lord gave me an opportunity to share my book entitled **Holy Spirit: Mistakes Heresies and Truth** to pastors in Kpalimé on 05-29-2026. One preacher said: « we have learned a lot; we are equipped on the topic ».

Thank you so much for your support!
